City Centre - I  
Salt Lake , Kolkata**

*'Under the aegis of WBOA'*

# WBASCON 2018

Dear Friends and Respected Seniors ,

We cordially invite you to be an active part of WBASCON 2018, our 6th annual conference at Kolkata, the city of joy on 15th & 16th September 2018.

Along with the renowned National and International faculty, this time we have ensured equally full active participation of each delegate with one to one interactions in panel discussions, video lectures, short talks on burning topics and of course the direct two way interaction in live surgeries.

The program will also have special elaborative sessions on shoulder and elbow arthroplasty which is usually absent in other such courses.

Lets make this a memorable and useful learning session in our/your arthroplasty career before we head into the festive season of this year.

Regards

Organizing Committee - WBASCON 2018
