CADAVERIC WORKSHOP ON COMPLEX PRIMARY TKR

DATE
30th May 2026

VENUE
Kalyani JNM Medical College & KGH Hospital, Kalyani

Theme: Mastering Complex Primary TKR

CONTENT

-  1. Live Surgery
-  2. Lecture Session
-  3. Cadaver Workshop

WHY ATTEND?

-  Live Surgical Demonstrations: Master the art of TKR through live surgical demonstrations.
-  Interactive Learning: A high-impact curriculum designed for optimal learning and retention. Focus on advanced techniques and problem-solving.
-  Expert Mentorship: Gain hands-on experience through cadaveric dissections guided by expert mentors.
-  Practical Cadaveric Experience: Hands-on training with 3-5 cadavers per trainee.
-  Interactive Case Studies: Engage in real-time case discussions to explore complex surgical solutions.

Report on Kolkata Trauma Summit 2026

The Kolkata Trauma Summit 2026, held from June 12-14, 2026, was successfully organised in association with the Howrah Ortho Club under the aegis of the West Bengal Orthopaedic Association (WBOA) at the Biswa Bangla Convention Centre, Kolkata. The three-day academic extravaganza brought together some of the finest national and international trauma surgeons, academicians, and young orthopaedic professionals on a common platform dedicated to advancing trauma care through evidence-based learning, surgical innovation, and scientific exchange. The overwhelming participation from Kolkata and across India reflected the growing stature of the summit as one of the country's premier trauma meetings.

The remarkable success of the summit was made possible through the unwavering leadership of Organising Chairman Dr Anil Gupta and Organising Secretary Dr Sudipto Ghosh, whose meticulous planning ensured the seamless execution of every scientific and organisational aspect of the conference. Special appreciation is extended to Howrah Ortho Club President Dr Jagannath Bhattacharya and Secretary Dr Subho Chatterjee, who remained actively involved throughout all three days, personally supervising every aspect of the summit and ensuring its smooth conduct. Their dedication, together with the support of the organising committee, faculty members, sponsors, volunteers, and delegates, contributed immensely to the grand success of the event.

The summit was conducted simultaneously in two scientific halls, enabling delegates to attend sessions according to their academic interests. Each morning commenced with the highly acclaimed Intensive Capsular Learning Sessions, where renowned faculty members presented concise, evidence-based updates on contemporary trauma management.

The opening day witnessed an outstanding academic beginning with lectures by Dr Sanil Kulkarni, Dr Ajith Kumar, Dr Rajendra Chandak, Dr Nitin Kinnankar, Dr Wasudeo Gadegone, Dr Shailesh Pal, and Dr John Mukhopadhyay, who discussed complex tibial plateau fractures, capitellar fractures, infected forearm non-unions, failed humeral nailing, greater tuberosity fixation, and distal femoral non-unions. The international faculty further enriched the session with Dr Yingsheng Chen presenting on transverse tibial transport and Dr Fang Christian Xinshuo discussing the management of malunited pilon fractures.

The scientific sessions continued with Shoulder and Humerus in Hall A, chaired by Dr Amitava Narayan Mukherjee, Dr Asoke Kumar Das, Dr Shailesh Pal, and Dr Dilshan Munidasa, under the coordination of Dr Debayan Sinha Roy. Delegates witnessed an engaging debate on plating versus nailing for humeral shaft non-union, followed by keynote lectures from Dr Sachin Kale and Dr Fang Christian Xinshuo. Simultaneously, Hall B hosted the Proximal Femur Session, chaired by Dr Chetan Pradhan, Dr Tirthankar Bhattacharya, Dr

received enthusiastic applause from the faculty and delegates, highlighting the summit's commitment to promoting academic excellence and research.

Day 2 also featured an impressive blend of scientific sessions and practical learning. One of the major highlights was the Ortho Biologics Workshop, chaired by Dr Salim Patel, Dr Sachin Kale, and Dr John Mukhopadhyay, and coordinated by Dr Udopto Lodh. The workshop generated tremendous interest among the delegates as Dr Madhan Jeyaraman, Dr Anamath SS, and Dr Anilkumar Nallakumarsamy shared comprehensive insights into the latest advances in regenerative orthopaedics, including platelet-rich plasma (PRP), bone marrow aspirate concentrate (BMAC), stem cell therapies, cultured biologics, adipose-derived orthobiologics, and their clinical applications. Running alongside were the Paediatric Trauma, Pelvic-Acetabular Trauma, and Surgical School sessions on the knee, shoulder, elbow, hip, and foot & ankle. Chaired by distinguished faculty including Dr Nilay Kanti Das, Dr Siddhartha Gupta, Dr Atanu Chatterjee, Dr Gaur Gauram Kar, Dr Christian Krettek, Dr Asoke Kumar Das, Dr R. D. Chatterjee, Dr Tanawat Vasconon, Dr Debayan Sinha Roy, Dr Ujjwal Kanti Deb Nath, Dr Ananda Mandal, and Dr Udopto Lodh, these sessions featured live surgeries, case-based discussions, and technical demonstrations by Dr Taral Nagda, Dr Soumya Paul, Dr Abhinav Nandy, Dr Abhinav N. K. Saha, Dr Subhas Ranjan Bala, Dr Devendra Agraharam, Dr Sanil Kulkarni, Dr Ajith Kumar, Dr Shailesh Pal, Dr Nitin Kinnankar, Dr John Mukhopadhyay, Dr Samarth Mittal, Dr Yingsheng Chen, Dr Amit Aggarwal, Dr Girish Motwani, and Dr Vinay Singh, offering delegates a comprehensive and practice-oriented academic experience.

The final day was dedicated primarily to Foot and Ankle Trauma. The Intensive Capsular Learning Session featured eminent experts including Dr Tanawat Vasconon, Dr Pradeep Moonot, Dr Girish Motwani, Dr Rajendra Chandak, and Dr Vinay Singh, who discussed pilon fractures, posterior malleolus approaches, syndesmotic malreduction, talus fractures, and contemporary ankle fracture reconstruction. Interactive panel discussions further encouraged delegates to analyse complex clinical situations from multiple perspectives.

One of the defining moments of the summit was the prestigious Oration Session. The Dr M. S. Ghosh Oration was delivered by Dr Abhijeet Sarbadhikary, who presented "Subcapital Neck Femur Fracture... Still Unresolved in 2026: A Grey Paper." This was followed by the Prof. Biplob Acharya Oration, delivered by Dr Kiran Kumar Mukhopadhyay on "Stability and Balance - My Life in Spine Surgery at a Medical College." The Kolkata Trauma Summit Oration by Dr Vishal Kumar, titled "Publish or Perish: Publish to Flourish," inspired delegates to actively pursue scientific research and publication. In recognition of their exceptional contributions to orthopaedics and medical education, all the centers received heartfelt standing ovations from the delegates.

The scientific programme concluded with the dedicated IOA-IFAS Foot & Ankle PAN India CME, one of the major academic highlights of the summit. The CME was enriched by the

Nikhilesh Das, Dr Suresh Kumar Kejriwal, and Dr Christian Krettek, where stimulating discussions on nail versus plate fixation generated excellent interaction among delegates.

One of the major highlights of the summit was its hands-on workshops, which witnessed overwhelming participation. On Day 1, the Broken Implant Removal Workshop, led by Dr Rajendra Chandak, Dr Wasudeo Gadegone, Dr Chetan Pradhan, Dr John Mukhopadhyay, and Dr Christian Krettek, provided practical solutions for managing difficult implant extraction through expert lectures and live demonstrations. Running simultaneously, the Kolkata Fracture Workshop (Phalangeal Fracture), coordinated by Dr Subhas Pal with faculty Dr Srinivasan Rajappa, Dr Sanam Ghosh, and Dr Ravi Bhattacharya, offered valuable hands-on training in phalangeal fracture fixation techniques. These workshops became one of the most appreciated segments of the summit for their practical relevance.

The afternoon programme continued with comprehensive sessions on Proximal Tibia, chaired by Dr Sangeet Gawhale, Dr Sanil Kulkarni, Dr Sonny Kumar Mallick, and Dr Subrata Basu, featuring live surgery by Dr Tirthankar Bhattacharya, presentations by Dr Chetan Pradhan, Dr Rajendra Chandak, and Dr Anoop Das, followed by a lively panel discussion on complicated proximal tibial fractures. Hall B simultaneously hosted the Elbow and Forearm Fracture Session, chaired by Dr Srinivasan Rajappa, Dr Subrata Pal, Dr Sudipto Ghosh, and Dr Nitin Kinnankar, where live surgery by Dr Srinivasan Rajappa, an exciting debate on radial head fractures, and a case-based discussion on distal humerus fractures captivated the audience. The day concluded with thought-provoking sessions on Compound Fractures, Distal Femur, Orthobiologics, and the popular "My Bluebook Cases", where eminent surgeons openly shared their most challenging trauma cases and invaluable learning experiences.

Day 2 began with another engaging Intensive Capsular Learning Session, where Dr Srinivasan Rajappa, Dr Wasudeo Gadegone, Dr Devendra Agraharam, Dr Rajendra Chandak, and Dr Chetan Pradhan discussed delayed metacarpal neck fractures, neglected neck femur fractures, compartment syndrome, aseptic long bone non-unions, and complex foot and ankle trauma. The international perspective continued through case discussions led by Dr Dilshan Munidasa, maintaining the high academic standard established on the opening day.

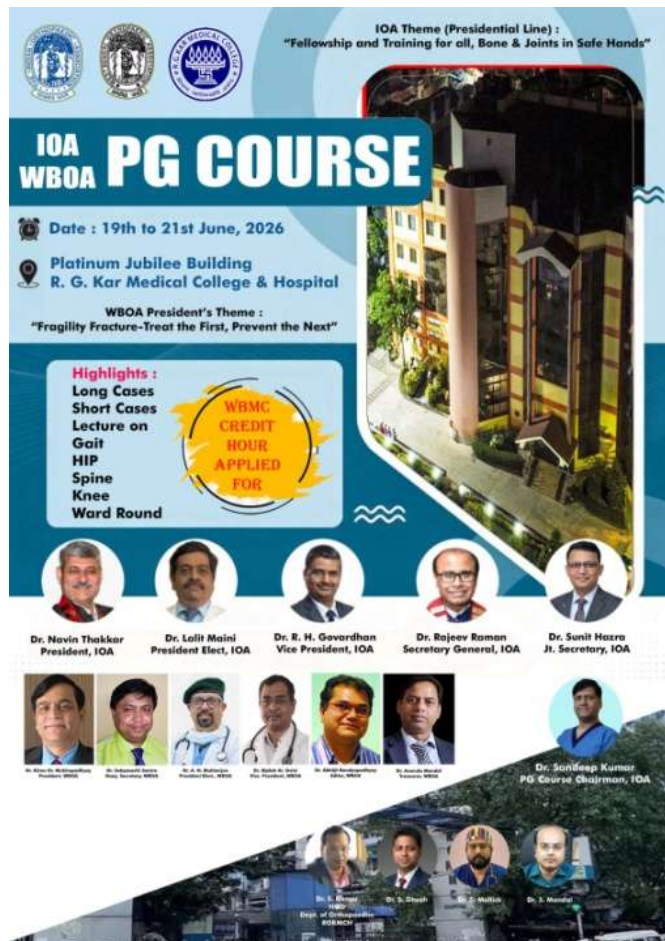

A major attraction of the second day was the Prof. Heman Deb Best Paper Award competition, conducted simultaneously in both halls and judged by distinguished national and international experts. The scientific quality of the presentations reflected the tremendous research potential of young orthopaedic surgeons. Dr Siddharth Kewani secured the First Prize for his paper, "Rethinking the 10° Rule: Pelvic Incidence Determines Tolerance to P-L-L Mismatch in Chronic Non-Specific Low Back Pain," while Dr Vivek Kumar S received the Second Prize for "A Novel Minimally Invasive Technique for Closed Decompression in Impending Compartment Syndrome of Proximal Tibial Fractures." Their outstanding work

invaluable expertise of international faculty Dr Tanawat Vasconon and Dr Christian Krettek, while distinguished national faculty including Dr Pradeep Moonot, Dr Girish Motwani, Dr Vinay Singh, Dr Rajendra Chandak, Dr Wasudeo Gadegone, and Dr Sangeet Gawhale delivered outstanding lectures and live surgical demonstrations. The programme was successfully conducted by Dr Atanu Chatterjee, whose meticulous planning ensured a highly engaging learning experience. The session was further elevated by the gracious presence of chairpersons Dr Arwin Chaudhury, Dr Soura Sekhar Saha, Dr Abhijeet Sarbadhikary, and Dr Dilshan Munidasa, while Dr Soura Sekhar Saha deserves special appreciation for his exemplary role as Course Coordinator. The enthusiastic participation of delegates from Kolkata and across India reflected the growing national importance of this CME and reinforced the commitment to advancing foot and ankle education.

The Kolkata Trauma Summit 2026 concluded on an inspiring note, successfully fulfilling its objective of promoting academic excellence, collaborative learning, and surgical innovation. The exceptional scientific programme, distinguished faculty, interactive workshops, stimulating debates, and enthusiastic participation reaffirmed Kolkata's position as a leading center for trauma education. The summit not only strengthened professional collaboration but also inspired the next generation of orthopaedic surgeons to continue striving for excellence in trauma care, research, and education.

IOA WBOA PG Teaching Course 2026

The IOA WBOA PG Teaching Course was successfully conducted from 19th to 21st June 2026 at the PJB, R. G. Kar Medical College and Hospital (MCH). The intensive three-day educational program was designed to enhance the clinical skills and knowledge of orthopedic postgraduate trainees.

Target Audience: **Attended by more than 100 PG students** (Attendance sheet attached)

Faculty Strength: Approximately 30 esteemed faculty members shared their expertise.

Organizing Committee:

Organizing Chairman: Dr. Sanjay Kumar (Prof & HOD, R. G. Kar MCH)

Org. Committee members:

Dr Sourav Ghosh

Dr Sunny Kr Mallick

Dr Subhadip Mandal

Dr Sumanta Pal & others

Inaugurated By: Dr. Rajeev Raman (Secretary General, IOA)

Special Guests & Institutional Leaders:

Prof. Dr. Manas Kr. Bandyopadhyay (Principal, R. G. Kar MCH)

Dr. Saptarshi Chatterjee (MSVP, R. G. Kar MCH)

Dr. Shantanu Achariya (Dean, R. G. Kar MCH)

Dr. Kiran Kumar Mukhopadhyay (President, WBOA)

Dr. Sabyasachi Santra (Hony. Secretary, WBOA)
Dr. Sunit Hazra (Jt. Secretary, IOA)

Presidential Address:

Dr. Navin Thakkar (President, IOA) conveyed his best wishes and insights to the delegates via a special video message.

Eminent National Faculty:

The course featured prominent national examiners and experts, including:

Prof Dr. Sandeep Kumar (Chairman, PG Committee)

Prof Dr. Sumit Sural (Ex-HOD, MAMC)

Prof Dr. Abdul Ghani (Jammu)

Prof Dr. A K Pal (Member, IOA PG committee)

Academic Curriculum & Course Highlights:

The comprehensive schedule focused heavily on exam-oriented clinical skills, covering:

Clinical Cases: Dedicated sessions on Long Case and Short Case presentations.

Ward Rounds: Practical, interactive bedside teaching and ward rounds.

Specialized Examinations: In-depth lectures and demonstrations on Gait, Hip, Spine, Knee, and Hand examination.

Allied Topics: Comprehensive sessions covering Radiology and Pediatric Orthopedics.

CSR TASK FORCE

COMMUNITY SERVICE | PREVENTION | EDUCATION | EMPOWERMENT

Dear Members of the IOA CSR Task Force,

Greetings from the Indian Orthopaedic Association.

You are cordially invited to attend the first strategic Zoom Meeting of the IOA CSR Task Force on:

Date: 7th May 2026 | Time: 8:00 PM IST | Platform: Zoom Meeting

Agenda of the Meeting:

- Formation and operational structure of the IOA CSR Task Force; CSR TREE
- State-wise involvement of Presidents, Hon. Secretaries, and orthopaedic surgeons, Speciality wise allocation and execution road map
- Implementation roadmap for the 6 National IOA CSR Programs:
 1. Strong Surgeon – Surgeon Wellness & Burnout Prevention
 2. Strong Bone & Hormone Alliance – Osteoporosis Prevention
 3. Posture India – Spine & Ergonomics Awareness
 4. Injury Free India – Trauma Prevention Movement
 5. Grow Straight India – Paediatric Orthopaedic Screening
 6. Safe Steps India – Geriatric Fall Prevention

Key Discussion Points:

- Development of multilingual public awareness innovative posters, with logos
- Hospital display campaigns across India of public awareness about our initiative
- School, corporate, industry, NGO & community outreach programs
- Screening camps and awareness drives
- Bone & Joint Week (2nd–8th August 2026) planning
- State implementation strategy and reporting framework

This initiative aims to create a nationwide preventive musculoskeletal health movement through collective leadership and participation from all state chapters and members. Let this movement be smart, social, scalable and sustainable.

Your valuable presence, suggestions, and leadership will be highly appreciated. Please be ready with suggestions in writing before the meet, add them to the group for noting, will keep the meeting short, crisp and decisive. We will activate our mail id shortly.

Warm regards,

IOA CSR Task Force
Indian Orthopaedic Association

INDIAN ORTHOPAEDIC ASSOCIATION • WEST BENGAL ORTHOPAEDIC ASSOCIATION

6-WEEK CSR PROGRAM SCHEDULE

ONE WEEK • ONE ACTIVITY • ONE COMMUNITY IMPACT

BETTER BONES • BETTER LIFE • BETTER INDIA

Dr. Vikas Bala
CSR Chairman, IOA

WEEK 1	WEEK 2	WEEK 3	WEEK 4	WEEK 5	WEEK 6
GROW STRAIGHT INDIA Healthy Growth, Healthy Future	STRONG BONE & HORMONE ALLIANCE Strong Bone, Strong Health	POSTURE INDIA Be Smart • Bead Tight	SAFE STEPS INDIA Prevent Falls • Prevent Costs	INJURY FREE INDIA Safety Today, Strong Tomorrow	STRONG SURGEON - SAFE HANDS Healthy Surgeons, Better Surgery
1. Focus: School 2. Activity: Spine screening, Posture screening, Backline awareness, Posture assessment 3. Target: 1-2 lakh students, 1 lakh parents 4. Deliverable: School certificate, Group photo, Parental feedback	1. Focus: Hospital OPD / Community Club / Senior Club 2. Activity: Osteoporosis education, Fall risk assessment, Bone health awareness, Bone health screening 3. Target: 50-100 seniors and their families 4. Deliverable: Bone health handbook, Bone health certificate	1. Focus: Corporate Office / Bank / Government Office 2. Activity: 10-minute ergonomic session, Neck & back pain awareness, Neck & back pain assessment 3. Target: 50-100 employees 4. Deliverable: Corporate participation certificate, Social media post	1. Focus: Senior Citizen Club / Retirement Club 2. Activity: Fall risk assessment, Balance demonstration, Home safety education 3. Target: 50-100 senior citizens 4. Deliverable: Fall prevention checklist, Group activity report	1. Focus: Industry / Factory / Transport Club 2. Activity: Short safety awareness, Helmet and seatbelt education, Industrial hand injury prevention, Safe Hands Program 3. Target: 500 workers / drivers 4. Deliverable: Safety pledge, Industrial participation certificate	1. Focus: Medical College / Hospital 2. Activity: Surgeon wellness session, Burnout awareness, OT ergonomics, Hand and spine protection exercises 3. Target: Orthopaedic surgeons, residents, fellows 4. Deliverable: Wellness commitment pledge, Department participation report

BEFORE ACTIVITY	DURING ACTIVITY	AFTER ACTIVITY
- Identify venue - Invite participants - Download kit poster - Create WhatsApp listserve	20-minute talk 20-minute interaction - Screening / Bone scan - Group photograph	- Group photo - Report numbers collected - Upload on our media group - Send report to IOA CSR Task Force

EXPECTED IMPACT IN 6 WEEKS					
1 ACTIVITY PER WEEK	4 ACTIVITIES PER CITY	400+ ACTIVITIES IN 100 CITIES	40,000-50,000 PEOPLE DIRECTLY REACHED	THOUSANDS OF SOCIAL MEDIA IMPRESSIONS	STRONGER PRESENCE IN THE COMMUNITY

WBOA

Report on International Yoga Day Celebrations 2026

Organized by: West Bengal Orthopaedic Association (WBOA) on 21.06.2026

Initiative: Central State Relationship (**CSR**) activity proposed by the Indian Orthopaedic Association (**IOA**)

Executive Summary:

The West Bengal Orthopaedic Association (WBOA), following a CSR proposal by the Indian Orthopaedic Association (IOA), successfully organized widespread celebrations across the state to mark International Yoga Day. The initiative saw enthusiastic participation from senior orthopaedic surgeons, medical fraternity members, support staff, and families, emphasizing health and holistic wellness.

Key Event Locations and Highlights:

1. NKOC & WBOA

Collaboration: Organized in association with the North Kolkata Orthopaedic Club (NKOC).

Key Attendees: * Dr. K. K. Mukhopadhyay (President, WBOA)

Dr. A. N. Mukherjee (President-elect, WBOA)

Dr. Kingshuk Mandal (EC Member, WBOA & Secretary, NKOC)

Participants: WBOA and NKOC members, support staff, and family members joined together for a collective yoga session.

2. Asansol Ortho Club

Overview: Operating under the aegis of WBOA, the club mobilized a massive turnout for the celebrations.

Leadership: Successfully executed under the guidance of Dr. Nirjhar Maji (Secretary, Asansol Ortho Club).

3. Jhargram Ortho Club (JOC)

Overview: A dedicated yoga session was arranged under the aegis of WBOA, bringing together a diverse medical cohort.

Special Guest: Dr. Sabyasachi Santra (Honorary Secretary, WBOA) graced the session.

Participants: JOC orthopaedic doctors, city-based physicians (including anaesthetists), and nursing/support staff from neighboring nursing homes.

Acknowledgment: Special thanks were extended to Dr. Mrinal Kanti Saha (Secretary, Jhargram Ortho Club) for spearheading the arrangements.

4. State wide Medical Colleges

Overview: International Yoga Day was celebrated across all medical colleges in West Bengal.

Turnout: Members of both WBOA and IOA participated in huge numbers, fostering wellness within institutional healthcare spaces.

Conclusion: The widespread active participation across Kolkata, district clubs, and medical colleges highlights WBOA's commitment to promoting physical well-being and preventive health practices among medical professionals and the community.

Let's unite as Orthopaedic Surgeons to build HEALTHIER SURGEON, HAPPIER LIVES, STRONGER INDIA
